

Canyoneer Nature Walk

*Come see, hear, and touch nature
alongside those who know it best*

The San Diego Natural History Museum presents one of its many nature walks hosted by the Canyoneers group. This naturalist-guide program encourages participants to stop, look, listen, smell and examine everything around them. The Canyoneers, who have been leading hikes in San Diego for 29 years, are educated to teach appreciation for everything around them and how everything co-exists. This leisurely walk is sure to teach you about the natural world while providing a fun and healthy experience. Program will meet at Goodan Staging area. Rain or muddy conditions cancel.
